

EASLEY CUSTOM PLASTICS

ECP will host an on-site job fair Tuesday, June 28th from 3:30PM to 6:30PM. This is in anticipation of additional manufacturing positions coming in the near future.

Call ahead to 864.859.7548 for a scheduled appointment time. You must be 18 years of age to apply and completed high school or earned your GED.

ECP is a custom injection molding operation and has been supplying industrial products to top tier companies since 1969. We are a three shift operation on a Monday through Friday regular schedule with occasional weekend overtime. The new positions will primarily be on 2nd Shift - 3PM to 11PM and 3rd Shift – 11PM to 7AM.

We are seeking candidates for entry level manufacturing that include assembly, machine operation and industrial painting. If you have a stable work history, we would be interested in meeting with you. Experience is helpful but not required. These positions start as temporary at a competitive wage. Successful temporary employees are considered for regular, full-time employment. Once regular, full-time employment is obtained, you are eligible for health, dental and vision insurance, 2 weeks vacation, 11 holidays and 3 personal days. We also offer quarterly profit sharing, matching 401K Savings, attendance and safety awards along with wellness incentives in a tobacco free worksite.

During the job fair you will meet other employees, tour the manufacturing area, complete a job application and briefly interview with a Production Supervisor.

ECP is located at 2930 Greenville Hwy, Easley, SC. Parking will be available in the main employee parking lot located off Old Liberty Rd. Directions from Easley or Pickens: take Hwy 93 towards Liberty, right on Amsterdam Rd then right on Old Liberty Road. Look for signage into the parking area on the right.
