## WHAT IS ONESTOP?

OneStop Workforce Centers offer easy access to the information, services, training and other tools you need to enter and move ahead in the workforce. The centers, located in Anderson, Oconee and Pickens counties, house public and private resources, as well as local, state and federal programs. OneStop Workforce Centers operate under the Workforce Investment Act of 1998, funded in part by WorkLink Workforce Investment Board.

## WHAT SERVICES ARE AVAILABLE?

Services range from an initial assessment or job search to personalized career planning and training. The first level is available to everyone. You can help yourself to these core services, but staff is available to help you with each step. After meeting eligibility requirements, you may receive additional training in the classroom or on the job at reduced or minimal costs to you.
