life. So far, 8 congregations have committed to being host shelters in Anderson County. If SC Works staff encounters homeless individuals, they can be referred to Family Promise of Anderson. The majority of families helped do not have full-time jobs. Family Promise has a day center that is available for families to do laundry and provide a landing point for students to be picked up to and from school.

Ms. Windy Graham, staff to the WorkLink Board, referenced reports in the packet.

Our targeted population WIOA data is found on page 4. Aggregate information is given for July to January 2020. No individual has indicated homelessness since July 2019. 65% (173) of individuals are basic skills deficient. Four youth are currently in the foster care system. Nineteen pregnant and parenting youth are being served currently.

The Community Profile was also available in the packet, beginning on page 8. Ms. Graham stated that the Community Profile shows economic, demographic, industry, occupation, and education data for the Anderson, Oconee, and Pickens area. The report can be revised to show individual counties and is updated approximately every 6 weeks.

WorkLink's unemployment rate is 2.3% statewide, and the population of those with disabilities is higher at 7.8%. The percentage of our labor force with a disability is 21.3% (data from US Department of Labor).

WorkLink will be having staff training on April 3, 2020 from 1-5 p.m. Staff, partners, and Board members are welcome to attend. Sensitivity and etiquette of individuals with disabilities, Nursing Mothers Act, sexual harassment training, labor market information, and human trafficking will be topics discussed.

IV. **Adjourn**

The next meeting will be Tuesday, May 5, 2020.

Respectfully submitted by Meredith Durham
