

## 2019 WIOA Regional Plan and Local Plan Modification

### Directions for Public Comment

The WorkLink Workforce Development Board is in the process of submitting its local and regional plan modifications, as required by the Workforce Innovation and Opportunity Act (WIOA) of 2014. These updates to the existing local and regional plans are intended to document substantive changes in the plans. These proposed updates are highlighted or otherwise marked in each document to make them easily identifiable.
