

How to Get a Username and Password for Your New MyBenefits Portal Account

Welcome to your new bridge to benefits. Even if you are already registered to receive unemployment benefits, you must reenroll in the new system.

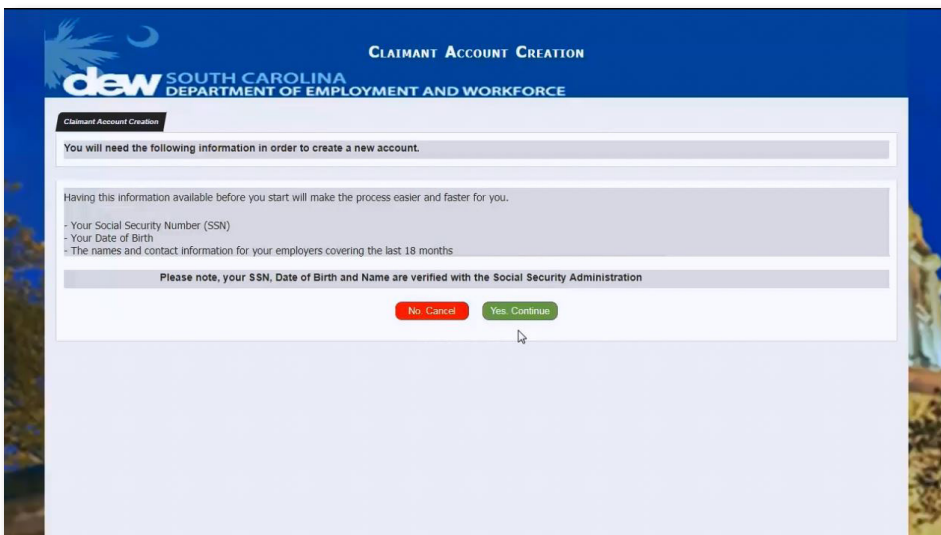

Click “Register Now!” to create your new online account.

****Make sure to have your social security number and your date of birth handy before you begin.**

This will bring you to the first Claimant Account Creation screen. Click the green “Yes. Continue” button if you want to continue the process of creating an account. It will turn grey when you hover the mouse over it, as shown in the picture to the left.

If you want to exit the process, click “No. Cancel” to be brought back to the Account Login page.

The next page will remind you of the information that you need in order to create your account. This includes your social security number, date of birth and your employment history for the last 18 months. If you do not have this information, click the red “No. Cancel” button on the left. If you do have this information, click the green “Yes. Continue” button on the right.

Once you click the continue button, you will be brought to the Fraud Warning page. You must read and accept all options by clicking the box to the left of each statement. The “Yes. Continue” button does not become live until all boxes are checked. Once you have accepted all the statements, the button will become green. Click “Yes. Continue” to go to the next page.

You will now see a screen where you will enter your personal information. Remember that all fields marked with an asterisk (*) are required and must be completed. However, it is encouraged to give as much non-required information as possible.

Be sure to enter an active email address that you regularly check in the system. You cannot register multiple times with different email addresses. Choose an email account that you will use to communicate with DEW while you claim benefits.

If you ever need to change an email address, you can do so in your settings. Do not register an new account.
